

FY25 Plan At A Glance: Network Capacity Initiative

Network: EVERYCHILD-Rock Island

Network Capacity		Develop the AOK Network's capacity to make a difference, over time and across issues, to enhance our community's early childhood system.		
Overall Result Desired:		The AOK Network partners will have an agreed upon shared agenda and Network governance. Partners will have the capacity, through improved collaborative leadership and engagement, to generate changes to improve our community's early childhood system. Network partners will understand the importance of collective learning and enhance their ability to adapt well to changing conditions within the community.		
Objectives		Approaches/Strategies		Outcome
1.6	Enhance Family Engagement By June 30, 2030, more parents will have the capacity to help partners meaningfully engage parents in systems change (or program design), increasing parents as partners as a result of the approaches described.	1.6.1	Conversation Cafes for Family Engagement	<ul style="list-style-type: none"> Partners will report 50% increased family engagement over five years in strategic planning/system design through beginning and end of the year surveys.
		1.6.2	Inclusive CCR&R Trainings	<ul style="list-style-type: none"> As a result of these efforts, we expect an increase in parenting/caregiver topic targeted trainings given by CCR&R to change from being professional focused to parent/community inclusive.
1.4	Contract Expectations By June 30, 2030, Rock Island County AOK local staff will meet 100% of the Performance Standards outlined by the Illinois Department of Human Services as evidenced by AOK Connect reports and the semi-annual PPR.	1.4.3	AOK Family Resource Guide	<ul style="list-style-type: none"> As a result of these efforts, we expect families to have increased knowledge of local resources, increased access to services, and increased community awareness of the AOK Network and its stakeholders.
		1.4.1	Local & State AOK Website & Social Media Updates	<ul style="list-style-type: none"> As a result of these efforts, we expect partners and community members to be more aware of the AOK Network's meetings, events, efforts, and mission as well as local community resources.
		1.4.4	Self-Assessment	<ul style="list-style-type: none"> As a result of these efforts, we expect to identify 3 priority areas for improvement from the self-assessment survey results to create a benchmark for subsequent fiscal years.
		1.4.2	Local Staff Professional Development	<ul style="list-style-type: none"> As a result of these efforts, we expect AOK staff to demonstrate improved competency in implementing evidence-based practices into their work.
		1.4.5	Children's Mental Health Awareness Month	<ul style="list-style-type: none"> As a result of these efforts, we expect 20 Network Partners to express increased awareness of early childhood mental health by the end of the fiscal year.

FY25 Plan At A Glance: Network Capacity Initiative

Network: EVERYCHILD-Rock Island

				<ul style="list-style-type: none"> As a result of these efforts, we expect 50 families to have increased knowledge of early childhood mental health and local ECMH resources.
		1.4.6	Network Partner Recruitment & Retention	<ul style="list-style-type: none"> As a result of these efforts, we expect 10 Network partners to renew their Partnership Agreements and 3 new Partnership Agreements with community partners.
1.7	Collaborative Process Development			
	By June 30, 2028, 12 system actors will collaborate to address barriers families experience around state and federal funded services and resources within the EC system such as WIC, SNAP, pediatric health care, childcare, preK.	1.7.1	Local Political Engagement	<ul style="list-style-type: none"> As a result of these efforts, we expect the number of Network Partners from local government to change from 0 to 3 by the end of this fiscal year.
		1.7.2	Navigating Resources	<ul style="list-style-type: none"> By the end of FY26, 100 parents will feel more empowered to seek out resources after using the created how-to guides.
