

FY25 Plan At A Glance: Child and Family Outcome Initiative

Network: Tazewell County

Initiative Title:		More young children are on a positive developmental trajectory.		
Initiative Description:		The AOK Network Partners will identify and engage key sectors and actors in the identified area of focus in order to design a shared agenda and effective strategies for system change that led to more children in Tazewell and Woodford Counties reaching their social and emotional benchmarks.		
Overall Desired Results (Measurable Outcomes)	Child Impact	More children are meeting benchmarks for social and emotional development.		
		Initial Data Point:	Mid-Cycle:	End of Cycle:
	Child Early Success	More infants and toddlers are enrolled in high quality early learning programs.		
	Family Early Success	Fewer families are experiencing food insecurity. Fewer parents/caregivers report being depressed.		
Objectives		Approaches/Strategies		Outputs/ Outcomes
2.1	Targeted Area of Focus By June 30, 2025, the local AOK Network agrees to clear and defined system boundary as the targeted area of focus to initiate strategy design, and implementation of efforts related to the identified targeted problem.	2.1.1	Identified System Boundary Focus	<ul style="list-style-type: none"> 1 Network meeting to decide on focus area Map of service providers and programs corresponding to the focus area 1 List of service providers/programs engaged and not engaged in the Network.
		2.1.2	Engage new and current sector partners in area of focus	<ul style="list-style-type: none"> Engagement plan for service providers and or programs that need to be engaged. Quarterly evaluation of engagement plan. Signed partnership agreements from new service provider and/or programs that will be joining the Network
2.2	Building Subject-Matter Expertise By June 30, 2025, local staff and partners increase their subject-matter capacity on the	2.2.1	Identifying Targeted Problem Experts	<ul style="list-style-type: none"> Up to 3 System Actors, identified as influential in the local system to children experiencing the Targeted Problem of “not all children are meeting benchmarks for social and emotional development,” present at an AOK Network Meeting. The System Actors’ knowledge and expertise helps to inform strategy design for strategic plan
