

FY26 Plan At A Glance: Child and Family Outcome Initiative

Network: ADAMS COUNTY

Initiative Title:		Child and Family Initiative		
Initiative Description:		AOK Networks prioritize a set of related child and family outcomes through a community assessment process using the AOK Networks Developmental Pathway that become the focus of this initiative. To better support children and families to reach these targeted outcomes AOK Network partners seek to understand the ways in which the system could be improved through a system assessment and root cause analysis and work together to develop and implement strategies aimed at addressing root causes within the system, ultimately enhancing the targeted outcomes.
