FY27 Plan At A Glance:
Child and Family Outcome Initiative

Network: Tazwell County

Initiative Title:	Child and Family Initiative			
Initiative Description:	AOK Networks prioritize a set of related child and family outcomes through a community assessment process using the AOK Networks Developmental Pathway that become the focus of this initiative. To better support children and families to reach these targeted outcomes AOK Network partners seek to understand the ways in which the system could be improved through a system assessment and root cause analysis and work together to develop and implement strategies aimed at addressing root causes within the system, ultimately enhancing the targeted outcomes.			
Overall Desired Results (Measurable Outcomes)	**Child Impact**	Tri-County AOK Network Targeted Problem re-stated as positive outcomes.		
		Initial Data Point:	**Mid-Cycle:**	**End of Cycle:**
	Child Early Success	• Child Early Success Outcome: More infants and toddlers are enrolled in high quality early learning programs.		
	Family Early Success	• Family Early Success Outcomes: Fewer families are experiencing food insecurity. Fewer parents/caregivers report being depressed.		

Objectives		Approaches/Strategies		Outcomes
2.3	**Sharing Knowledge** By June 30, 2030, AOK Network partners have knowledge of and share information that leads to referring families to resources related to the targeted problem.	**2.3.1**	**Improving Developmental Screening Reporting in Tri-County**	• Increased understanding of developmental screening reporting practices within the Tri-County area.
		2.3.2	**Supporting Families Experiencing Food Insecurity**	• Increase the number of families connected to food resources.
