FY27 Plan At A Glance:
Child and Family Outcome Initiative

Network: WILL COUNTY

Initiative Title:		Child and Family Initiative		
Initiative Description:		AOK Networks prioritize a set of related child and family outcomes through a community assessment process using the AOK Networks Developmental Pathway that become the focus of this initiative. To better support children and families to reach these targeted outcomes AOK Network partners seek to understand the ways in which the system could be improved through a system assessment and root cause analysis and work together to develop and implement strategies aimed at addressing root causes within the system, ultimately enhancing the targeted outcomes.		
Overall Desired Results (Measurable Outcomes)	**Child Impact**	• More children are meeting benchmarks/kindergarten readiness measures for literacy. More children are meeting benchmarks for communication.		
		Initial Data Point:	**Mid-Cycle:**	**End of Cycle:**
	Child Early Success	• More children are receiving a developmental screening. More infants and toddlers are enrolled in high quality early learning programs. More preschoolers are enrolled in high quality preschools.		
	Family Early Success	• N/A
