IRIS OPEN OFFICE HOURS

(ONBOARDING/TRAINING/REFRESH/T.A./ETC.)

You're invited to attend our monthly IRIS Open Office Hours, created to support all current and prospective users of the IRIS referral system.

What is IRIS?

IRIS (Integrated Referral and Intake System) is a secure, web-based platform designed to streamline communication and referrals between community organizations. By simplifying the referral process, IRIS helps families connect to the services they need more quickly and efficiently.

What to Expect During Open Office Hours:

These informal, drop-in sessions are a space for:

- ✓ New user onboarding and training
- ✓ Refresher sessions for current users
- ✓ Technical assistance (T.A.) and troubleshooting support.
- ✓ Opportunities to ask questions and share feedback.
- ✓ Networking and learning with other IRIS partners.

When: Fourth Wednesday of each month,
10:00-11:00 AM

(May vary if it conflicts with a holiday week.)

Where: <https://us02web.zoom.us/j/83330479785>

Who Should Attend: Any organization or individual currently using or interested in using IRIS. Whether you're just getting started or looking to sharpen your skills, these sessions are here to help. No RSVP required—drop in when you can!

Contact Pam: pamwilliams@stephensoncountyil.gov or 815-599-8432 with questions.
