

# All Our Kids Early Childhood Network

The Will County All Our Kids (AOK) Early Childhood Network is a community-based collaboration which works to create and support long lasting partnerships which empowers families with knowledge and community resources promoting healthy development and lifelong success

Will County AOK was established in **2004** to support families with young children

More than **60** members make up the AOK Network in Will County **32%** of members have been with the network **5+ years**

**94%** of members have a lot of **respect** for the other people involved with the collaboration

Members represent Early Childhood, Faith-based, Education, Health Care, Family Support & Human Services

**93%** of members have a **Shared Vision** for the collaborative

More than **7,000** AOK Network Family Resource Directories are distributed each year

## OUR WORK

The Will County AOK Network hosts a **FREE** annual Early Childhood Mental Health Conference.

**130** service providers participate in the conference each year – **84%** of attendees receive **CEU credits**.

An **informational video** on the importance of **Developmental Screenings** for parents was created. Watch video at <https://tinyurl.com/screeningsWC>

Partners created a **community calendar** for families to find a free screening for their child, birth to five years old. Over **10,000** children are screened each year in Will County.

In FY20, Will County AOK Network partners have engaged **34** community programs to implement **IRIS**, a web-based communication tool to help agencies connect families with the resources & services they need & want.
